Kenya Chemex 2012

The period from 1st – 3rd September 2012

After the success of the 1st edition of (Kenya Chemex 2011) which had a very good impact among exhibitors and visitors.

So this year we expect at least 30 -35 % increase of the participated companies and about 15% increase on the exhibition sectors.

Why Kenya:

Kenya is the biggest and most advanced economy in east and central Africa, East and Central Africa's biggest economy has posted tremendous growth in the service sector, boosted by rapid expansion in telecommunication and financial activity over the last decade.

- **A strategic location of communication facilities in terms of international commerce.**
- Effective Marketing policies as evidenced by the ongoing success of the Economic recovery
- Progressive institutional development.
- Investors' confidence in the country's economy as evidenced by major successful investments in most sectors of the economy.
- Warm and friendly people and a high degree of personal safety.
